Profile

Product Designer with a Bachelor's in Graphic Design and 6+ years building digital products, websites, landing pages and brands. I combine UX, art direction and a focus on conversion, using AI to speed up the process. Open to international opportunities.

Experience

Product Designer · UI
Feb 2025 - Oct 2026
Even 7 · Tech company

UI for apps and digital products, from user flows to high-fidelity prototypes.
Consistent, dev-ready interfaces, plus websites and launch landing pages.

Product Designer
Jan 2023 - Feb 2025
CPV

Designed digital products and launches, combining UX, art direction and a conversion focus.
Led projects and the creative team from strategy to delivery.

Product Designer
Oct 2021 - Jan 2023
Arbo · Londrina, Brazil

User journeys and interfaces for digital products, from flow to prototype.
Ongoing evolution of websites and landing pages focused on conversion.

Web Designer
Mar 2019 - Oct 2021
Arbo · Londrina, Brazil

Websites and landing pages in Webflow, focused on conversion.
